Just got off the phone with Matthew (MD Parties) and Karen Reed from VON's. Here is the current time line:

- The movie is going to start at 9:00am and run till 10:30ish.
- There'll be a small break and then the kids will be provided their lunches at 10:30/10:45ish. (Lunches will arrive at about 10am)

Also, I will be running to the VON's administrative offices in Fullerton on Thursday to pick up 225 gift bags for the kids, teachers and those LAPD officers in attendance.

These bags are in addition to the four pallets of candy that were picked up today from VON's. Rampart, Olympic and Newton Divisions have picked up their candy with Northeast, Hollenbeck and Hollywood to follow.

See you all on Friday
